PORTFOLIO AND INVESTMENT ACTIVITY

"We are pleased with the substantial increase in net asset value this past quarter due to material appreciation in the value of several equity investments," said Arthur Penn, Chairman and CEO. We are making substantial progress on the exit of those equity investments. Additionally, we have been actively investing in new loans since the most recent quarter end and the outlook in our view for continued growth is excellent."

RESULTS OF OPERATIONS

Set forth below are the results of operations for the three and nine months ended June 30, 2021 and 2020.

Investment Income

Investment income for the three and nine months ended June 30, 2021 was \$20.5 million and \$58.5 million, respectively, which was attributable to \$11.8 million and \$33.9 million from first lien secured debt, \$5.2 million and \$15.8 million from second lien secured debt, \$1.8 million and \$5.2 million from subordinated debt and \$1.7 million and \$3.6 million from preferred and common equity, respectively. The decrease in investment income compared to the same periods in the prior year was primarily due to decreases in the size of our debt portfolio and decreases in the London Interbank Offered Rate.

Expenses for the three and nine months ended June 30, 2021 totaled \$12.3 million and \$33.2 million, respectively. Base management fee for the same periods totaled \$4.4 million and \$12.8 million, debt related interest and expenses totaled \$6.9 million (including a one-time \$1.1 million payment, which is related to the early repayment of SBA debentures) and \$16.8 million, general and administrative expenses totaled \$0.9 million and \$3.2 million and provision for taxes totaled \$0.2 million and \$0.5 million, respectively. The decrease in expenses for the three and nine months ended June 30, 2021 compared to the same period in the prior year was primarily due to lower leverage costs and lower management fees.

Net Investment Income

Net investment income totaled \$8.1 million and \$25.2 million, or \$0.12 and \$0.38 per share, for the three and nine months ended June 30, 2021, respectively. The net change in unrealized appreciation/depreciation on our investments compared to the same period in the prior year was primarily due to unrealized gains in our equity co-investment program, including ITC Rumba, LLC (Cano Health, LLC).

For the three and nine months ended June 30, 2021, the Truist Credit Facility had a net change in unrealized appreciation of \$1.6 million and \$18.5 million, respectively. LIQUIDITY AND CAPITAL RESOURCES

Our liquidity and capital resources are derived primarily from proceeds of securities offerings, debt capital and cash flows from operations, including investment sales and repayments, and income earned. Our primary use of funds from operations includes investments in portfolio companies and payments of fees and other operating expenses we incur. We have used, and expect to continue to use, our debt capital, proceeds from the rotation of our portfolio and proceeds from public and private offerings of securities to finance our investment objectives. For more information on how the COVID-19 pandemic may impact our ability to comply with the covenants of the Credit Facility, see our Quarterly Report on Form 10-Q for the quarter ended June 30, 2021, including “Item 2.
