The Notice of Annual Meeting of Stockholders and the proxy statement of the Board of Directors of the Company, which is accessible on the Internet or by request, provide an outline of the business to be conducted at our Annual Meeting of stockholders. At the Meeting, you will be asked to elect two directors of the Company and to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2009. I will also report on the progress of the Company during the past year and respond to stockholders' questions.

It is important that your shares be represented at the annual meeting. If you are unable to attend the Meeting in person, I urge you to follow the instructions on the Notice of Internet Availability of Proxy Materials to vote your proxy on the Internet. We encourage you to vote via the Internet, as it saves us significant time and processing costs. **NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON FEBRUARY 3, 2009**

Notice is hereby given to the owners of shares of common stock (the "Stockholders") of PennantPark Investment Corporation (the "Company") that:

The 2009 Annual Meeting of Stockholders of the Company will be held at the Omni Berkshire Place, located at 21 East 52nd Street at Madison Avenue, New York, New York, on February 3, 2009 at 9:30 a.m., Eastern Time, for the following purposes:

1. To elect two Class II directors of the company who will each serve for a term of three years or until his successor is duly elected and qualified;
2. To ratify the selection of KPMG LLP to serve as the Company's independent registered public accounting firm for the year ending September 30, 2009; and
3. To transact such other business as may properly come before the Meeting or any adjournments or postponements thereof.

You have the right to receive notice of, and to vote at, the Annual Meeting if you were a stockholder of record at the close of business on December 15, 2008. Under rules adopted by the U.S. Securities and Exchange Commission ("SEC"), we are now furnishing proxy materials to our shareholders on the Internet, rather than mailing printed copies of those materials to each shareholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request them. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials, and vote your proxy, on the Internet.

Your vote is extremely important to us. If you are unable to attend the Annual Meeting of stockholders, we encourage you to vote your proxy on the Internet by following the instructions provided on the Notice of Internet Availability of Proxy Materials. You may also request from us free of charge hard copies of the proxy statement and a proxy card by following the instructions on the Notice of Availability of Proxy Materials. In the event there are not sufficient votes for a quorum or to approve the proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE PROPOSALS.

By Order of the Board of Directors,

Thomas Friedmann
Secretary

PROXY STATEMENT

For

2009 Annual Meeting of Stockholders

To Be Held on February 3, 2009

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders ("Notice of Annual Meeting"). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission ("SEC"); some of it is technical in nature. If there is anything you do not understand, please contact us at 212-905-1000.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of PennantPark Investment Corporation (the "Company," "we," "us" or "our") for use at our 2009 Annual Meeting of Stockholders (the "Meeting") to be held on Tuesday, February 3, 2009 at 9:30 a.m., Eastern Time, at the Omni Berkshire Place, located at 21 East 52nd Street at Madison Avenue, New York, New York and at any postponements or adjournments thereof. This Proxy Statement and the Company's Annual Report for the fiscal year ended September 30, 2008, are being provided to stockholders via the Internet on or about December 15, 2008. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to stockholders of record as of December 15, 2008.

We encourage you to vote your shares, either by voting in person at the Meeting or by voting by proxy (i.e., authorizing someone to vote your shares). Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Meeting, your shares will be voted at the Board's discretion unless you specifically state otherwise on your proxy.

You may revoke a proxy at any time before it is exercised by notifying the Company's Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Meeting. Any stockholder entitled to vote at the Meeting may attend the Meeting and vote in person whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, telephone or by mail.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect two Class II directors of the Company, who will each serve for a term of three years or until his successor is duly elected and qualified.
2. To ratify the selection of KPMG LLP to serve as the Company's independent registered public accounting firm for the year ending September 30, 2009; and
3. To transact such other business as may properly come before the Meeting.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on December 15, 2008 (the "Record Date"). There were 21,068,772 shares of the Company's common stock outstanding on the Record Date. Each share of the common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on non-routine proposals (which are considered "broker non-votes" with respect to such proposals), will be treated as shares present for quorum purposes. If there are not enough votes for a quorum, the chairman of the Meeting will adjourn the Meeting to permit the further solicitation of proxies.

Vote Required

Election of Directors. The election of a director requires the vote of a majority of the shares of stock outstanding. Stockholders may not cumulate their votes. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by a majority of the votes of the outstanding common shares of the company, votes to withhold authority will have the effect of a vote against the nominee.

Broker Non-votes. If you beneficially own your shares and you do not provide your broker or nominee with proxy instructions, either by voting in accordance with the instructions on the Notice of Internet Availability of Proxy Materials, by requesting hard copy proxy materials from us and returning a proxy card or by other arrangement with your broker or nominee, your broker or nominee will not be able to vote your shares for you on certain non-routine matters that come before the Annual Meeting. Such "broker non-votes" will, however, count toward a quorum.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of KPMG LLP to serve as the Company's independent registered public accounting firm. Abstentions and broker non-votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there appears not to be enough votes to approve the proposals at the Meeting, the stockholders who are represented in person or by proxy may vote to adjourn the Meeting to permit the further solicitation of proxies. Mr. Marshall Brozost and Mr. Samuel L. Katz are the persons named as proxies and will vote proxies held by them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A stockholder vote may be taken on one of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting of Stockholders, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to stockholders. The Company intends to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. If brokers, trustees, or fiduciaries and other institutions holding shares in their own names or in the names of their nominees, which shares are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, we will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company, officers or employees of PennantPark Investment Advisers, LLC, the Company's investment adviser and/or by a retained solicitor. No additional compensation will be paid to directors, officers or regular employees for such services.

Stockholders may provide their voting instructions by telephone, through the Internet or by mail by following the instructions on the Notice of Availability of Proxy Materials. These options require stockholders to input the Control Number, which is provided with the Notice of Availability of Proxy Materials, after visiting www.proxyvote.com. Upon inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by Internet, the stockholder may attend the Meeting in person or request and submit a proxy card by following the instructions on the Notice of Availability of Internet Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be effected by resubmitting voting instructions via the Internet voting site, by attending the Meeting or by a notice, provided in writing and signed by the stockholder, delivered to the Company's Secretary on any business day before the date of the Meeting.

Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and the Company is committed to ensuring that it has in place the necessary controls and procedures to ensure compliance with applicable laws, rules and regulations, as well as our own ethical standards of conduct.

Director Independence

NASDAQ rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ rules, in order for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our Board is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ rules and our corporate governance guidelines. Our Board has determined that each of our directors, other than Mr. Penn, is independent under the listing standards of the NASDAQ Global Select Market. The Board limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to independent directors.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee and a Nominating and Corporate Governance Committee. For the fiscal year ended September 30, 2008, the Board of Directors of the Company held six board meetings, four Audit Committee meetings and one Nominating and Corporate Governance Committee meeting. All directors attended at least 75% of the aggregate number of meetings of the Board and of the respective Committees on which they served. The Company requires each director to make a diligent effort to attend all Board and Committee meetings, and encourages directors to attend the Annual Meeting of stockholders.

Audit Committee

The members of the Audit Committee are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is independent for purposes of the 1940 Act and The Nasdaq Global Market corporate governance regulations. Mr. Flug serves as chairman of the audit committee. The Audit Committee operates pursuant to an Audit Committee Charter approved by the Board of Directors. The charter sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the "auditors") to audit the accounts and records of the Company; reviewing and discussing with management and the auditors the annual audited financial statements of the Company, including disclosures made in management's discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in the Company's annual report on Form 10-K; reviewing and discussing with management and the auditors the Company's quarterly financial statements prior to the filings of its quarterly reports on Form 10-Q; pre-approving the auditors' engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors. The Audit Committee is also responsible for aiding our Board of Directors in fair value pricing of debt and equity securities that are not publicly traded or for which current market values are not readily available. The Board of Directors and Audit Committee use the services of nationally recognized independent valuation firms to help them determine the fair value of these securities. The Company's Board of Directors has determined that Mr. Flug is our "Audit Committee financial expert" as that term is defined under Item 401 of Regulation S-K under the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee Charter is available on the Company's website (<http://www.pennantpark.com>).

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Messrs. Bernstein, Brozost, Flug and Katz, each of whom is independent for purposes of the 1940 Act and the corporate governance regulations of The Nasdaq Global Market. Messrs. Bernstein and Brozost serve as co-chairmen of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and our management. The Nominating and Corporate Governance Committee has adopted a written Nominating and Corporate Governance Committee Charter that is available on the Company's website (<http://www.pennantpark.com>).

The Nominating and Corporate Governance Committee will consider stockholder recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with the Company's bylaws, the Nominating and Corporate Governance Committee Charter and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to Thomas Friedmann, Secretary, c/o PennantPark Investment Corporation, 590 Madison Avenue, 15th Floor, New York, New York 10022. When submitting a nomination to the Company for consideration, a stockholder must provide all information that would be required under applicable SEC rules to be disclosed in connection with election of a director, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number of shares of the Company's common stock owned, if any; and, a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders.

Criteria considered by the Nominating and Corporate Governance Committee in evaluating the qualifications of individuals for election as members of the Board of Directors include compliance with the independence and other applicable requirements of the NASDAQ Listing Standards and the 1940 Act, and all other applicable laws, rules, regulations and listing standards, the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee Charter, and the ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industry in which the Company operates. The Nominating and Corporate Governance Committee also may consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board of Directors also believes it is appropriate for a key member of the Company's management to participate as a member of the Board of Directors.

Compensation Committee

We do not have a compensation committee because our executive officers do not receive compensation from us.

Communication with the Board of Directors

Stockholders with questions about the Company are encouraged to contact PennantPark Investment Corporation's Investor Relations Department. However, if stockholders believe that their questions have not been addressed, they may communicate with the Company's Board of Directors by sending their communications to Thomas Friedmann, Secretary, c/o PennantPark Investment Corporation, 590 Madison Avenue, 15th Floor, New York, New York 10022. Audit Committee Report⁽¹⁾

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended September 30, 2008.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and KPMG LLP (KPMG), the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of KPMG's examinations, the Company's internal controls, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with KPMG matters relating to KPMG's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 114 (Auditor's Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with KPMG their independence from management and the Company, as well as the matters in the written disclosures received from KPMG and required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee received a letter from KPMG confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with KPMG the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of KPMG's audits and all fees paid to KPMG during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by KPMG for the Company. The Audit Committee has reviewed and considered the compatibility of KPMG's performance of non-audit services with the maintenance of KPMG's independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2008 for filing with the SEC. In addition, the Audit Committee has engaged KPMG to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2009, and has directed that the selection of KPMG should be submitted to the Company's stockholders for ratification.

**PROPOSAL II: RATIFICATION OF
SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

KPMG LLP (“KPMG”) has been selected as the independent registered public accounting firm to audit the financial statements of the Company at and during the Company’s fiscal year ending September 30, 2009. KPMG was selected by the Audit Committee of the Company and that selection was ratified by a majority of the Company’s Board, including all of the independent directors, by a vote cast in person. The Company does not know of any direct or indirect financial interest of KPMG in the Company. Representative(s) of KPMG will attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to answer questions.

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by KPMG in connection with statutory and regulatory filings. Fees billed during the fiscal years ending September 30, 2008 and September 30, 2007 to the Company were \$357,269 and \$175,000, respectively.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. Fees billed during the fiscal years ending September 30, 2008 and September 30, 2007 to the Company were zero and \$50,000, respectively.

Tax Fees: Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance. Tax fees billed to the Company during the fiscal years ending September 30, 2008 and September 30, 2007 were \$111,000 and \$89,000, respectively, which represented work related to our regulated investment company qualification and excise tax distribution requirements.

All Other Fees: Other fees would include fees billed for products and services other than the services reported above. Fees billed during fiscal years ending September 30, 2008 and September 30, 2007, were \$41,338 and zero, respectively.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG, the Company’s independent auditor. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor’s independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2009.
